more importantly, Thank you for  
The inspiration. Bless you and  
all of your fellow parishioners at  
St. Dorothy's. Jeff Hayward

P.S. I've enclosed a photo of The  
solar lights we sent to Puerto  
Rico being distributed at a family  
center by one of The sisters.  
Thank You!

Mr. Valverde,  
Your note and contribution from  
The St. Dorothy Catholic Church  
Community provided a bright spot  
in my heart that there are those  
in our community who are good  
people to the core, that they have  
compassion and are willing to act  
when they see others in need.  
Thank you for the gift to help the  
victims of Hurricane Maria, but
